PizzaGate Update: More Deaths, New Evidence

The Pizza Gate theory allegedly connects numerous high ranking government officials in an ongoing ring of criminal activity and child abuse. Let's break down the most recent evidence around the investigation. Pizza Gate is under attack by the media, and several investigators around the story are now mysteriously missing or killed. Evidence gathered from many sources, including Hillary Clinton's e-mails released on Wikileaks has raised some seriously concerning questions that are being ignored or misrepresented by mainstream journalists. The mainstream media is trying to bury this story, let's spread the word.

Dude, Culkin was one of the last child actors director John Hughes worked with on Home Alone. After that was the little girl in the movie Curley Sue. Then after that movie, John Hughes abruptly decided to end his film career and affiliation with Hollywood. He said he couldn't stand the Hollywood culture anymore. Do you think that John Hughes was aware of the pedophilia going on in Hollywood because of what he saw going on with his own actors and could' stand being around it anymore to the point he wouldn't even do interviews anymore or accept his 2010 MTV award for "teen movies"???? Or, was Hughes involved????

PizzaGate Definitive Factcheck: Oh My God.

**Published on Nov 24, 2016**

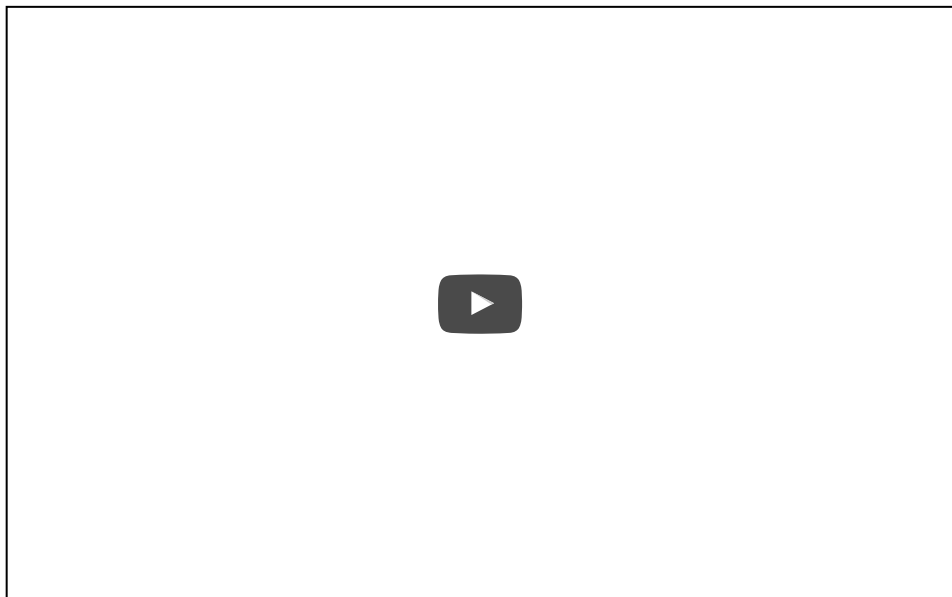

Is PizzaGate real, sort of real, or blown out of proportion? Researcher Megan (<https://twitter.com/zeduslepedus>) gave all of this an independent look on her own, in case I was seeing connections that were not there. Sadly, I've perhaps been too tame in my coverage here- these are totally sick people. NO doubt in my mind. None whatsoever. My God.

Posters over at 4Chan and Reddit have been conducting an extremely bizarre investigation following the John Podesta e-mail leak (Hillary Clinton's campaign chairman) and the results are surreal: They've apparently uncovered an elite child trafficking network which celebrates its tendencies using code words and disturbing artworks. Here are pics from Alefontis' Twitter account. Along with pics from a couple connecting accounts.

This is an Update on the first video if you have not seen it I would advise you watch it to understand what Pizzagate is about.

First video: <https://youtu.be/M8NPH2kqtzY> (<https://youtu.be/M8NPH2kqtzY>)

The people world wide who have been exposing the pedophile rings, sex trafficking rings, human trafficking are being threatened, the investigators, activists are being threatened, the professionals, are being threatened. Their entire families threatened.

(UPDATE)

Podesta and his brother were in Spain.

AnonymousOP Deatheaters confirmed Podesta and his brother stayed 1.3 miles from the hotel where Mcanns stayed.

An FBI insider confirmed the Intelligence community indicates John and Tony Podesta were in Praia da Luz, Portugal on May 3rd 2007– the day Madaline McCann vanished.

The Podesta brothers were staying with a friend named “Clem” . Clement Freud, the grandson of psychopathology sex expert Dr. Sigmund Freud, who was known to be a pedophile. This is a quote from our insider: “Of greater interest is that fact that Freud owned a villa in Praia da Luz.”

That girl in the video is not Madeline McCann it matches up to a girl kidnapped by a human sex trafficking ring in Australia and taken to Europe. From Western Australia in 2007. It is believe to be the same ring that took McCann.

She is thought to be Leela McDougall, who went missing in Australia in 2007 or Amanda Adlai, an American who was abducted in Michigan in 2008.

Human trafficking rings, kidnap children from all over the world, many are the same ring with networks in many countries, then those children are quickly taken out of the country

Go to reddit a lot of new info. Alternate news sites are beign bribed to not cover this anymore. Not one freaking word from Alex Jones in a week now!!

Steve Hartman Jr

Alex Jones is their to make you think he is against the NWO but he will only go so far I watched two documentaries he made and he is their to push the agenda that the zionist Jews control everything behind the scenes the rothschilds and soros of the world. The fact is even those people and all the people that meet at bildeberg are controlled by one entitiy who has many faces it is the papacy and the head of the papacy is the pope and his army the Jesuits but Alex Jones never ties anything to the pope or jesuits.

Kenny Riel

+Steve Hartman Jr I also know how fake he is. I was so shocked when he started covering this Pedosta pizza gate thing. But yeah i have noticed he is controlled.

Terri M

Kenny Riel I also found it odd that Alex Jones went quiet on this.

Some stuff you want to wait and have patience about..so the criminals don't start to panic...Owen just had a long interview with the authors who are investigating this. You need to wait for Trump to get into office before going too crazy because of how big it is. Plus Alex is fighting to not get censored and he is working on getting the leftist woke up to stop protesting..which many are...many many are...After Trump gets in office he will go full blast on this stuff. But right now...getting Trump into office is by far the most important step. So he really went into this and he will go more..but Trump needs to be installed. Why is Obama going on a European Tour now?? To do damage control Why is Soros having a big meeting in Washington DC ??? The shit is getting out of control. Why isn't Trump going to Washington DC??? Because there are tunnels all over the place. Trumps advisors are telling him to stay the fuck out of Washington DC.

dave hightower

Neither of you idiots have a fucken brain...Jones covers stuff up to a certain point..but if he crosses that line he will be called a racist like David Duke and he has to be careful. Go watch the guest he has on and they are some of the topabsolute top of what's going on...William Binney...Steve Prezinik...Beth Harris...Okeefe...I don't know who you could get who is more radical then those people... You guys are fucken idiots and have no common sense. He has good journalist and they do a good job of getting out and interviewing the people. He showed Trumps events over and over...I don't know where else he could give you..unless you don't have a fucken brain and need all to be in front of you.

BREAKING NEWS: Podesta Brothers Pedo Ring: DRAIN...

Published on Nov 18, 2016

Breaking news to share today as the #PizzaGate (<https://www.youtube.com/results?q=%23PizzaGate>) scandal is cracked wide open. Anon has discovered that the Podesta Comet Ping Pong photos contain encrypted data which if decoded my lead to smoking gun evidence of pedophilia. But even more stunning is the news that according to FBI and intelligence sources, the Podesta brothers were in Portugal on May 3, 2007, the date of the disappearance of Madeleine McCann. Now that Trump has appointed Jeff Sessions to be the new Attorney General of the United States, we call on Mr. Sessions and Mr. Trump to drain the Pedo ring swamp. Guest: V, The Guerrilla Economist.

This is the start of an open source investigation into the Pizza Gate Pedophile Rings being run by Comet Ping Pong Pizza. This ring of Pedophiles is directly exposed by the emails from John Podesta and Tony Podesta. Also directly connected to this is DOJ Andrew Kline. The links I have compiled are below in this description. I will be uploading this video to the Steemit BlockChain so it will forever be on the internet, uncensorable in the block chain.

I'm very happy to see so many people benefit from the information presented. If only 5% were to purchase a one month membership it would be life changing event in the advancement of this work.

There is more to the members section than just extra shows, there are videos, and court docs, police reports too.

LOL, ya know if 5% of the folks that listened to my pizzagate show and are all so outraged about it, just bought a 3 month subscription to The Opperman Report I could put together a team of investigators and PR to blow that thing wide open. Not even 5% maybe 1%
